

UNCLE NEV'S NEWS....

JUNE - AUGUST 2006

WINTER !!

YES, it's winter and although it seems we haven't had much rain there is still lots of mud about. In the forest we have seen lots of deer, roos & joeys. It's also nice to see everything looking a bit greener than in summer. The forest is already gearing up for spring with native orchids starting to pop up, insect eating plants & other plants starting to flower. Keep an eye out while you are riding & see how many you can spot. Before you know it though the mud will be gone & we will be waving away the dust again. There have been a few things happening over the last few months & with Spring just around the corner lots of exciting rides to come.

"IT'S A BOY" On the 3rd of June 2006 Tyler Leonard Stubbs was born. Proud parents Clinton & Glenda Stubbs brought the newest addition to the Peachey clan into the world making Uncle Nev a Great-Grand Father & Carol a Grandmother, a role she is enjoying immensely.

We have all been missing George who has been in hospital. After having a hip replacement operation & coming home for a few days George developed an infection which put him back in hospital. George has been battling this infection for many weeks & now seems to be getting better.
